SENATOR DUIS: You have received a letter, I believe, from the Department of Roads, the Highway Department, in regard to the 55-mile-an-hour speed limit. I would ask the Legislature if they would allow me to withdraw LB605, which is my bill, so that the Governor of the State of Nebraska may have the bill that he so desires to have in regard to the speed limit. I would presume that should I get up and we debate the situation, LB605, and also his legislative bill which is LB873, even though I introduced this bill the second day of the Legislature, his office has never seen me in regard to this situation. So, I presume that they choose to ignore the bill that I have in there. I'm very willing to withdraw this bill so the Governor of the great State of Nebraska may have his way in regard to the speed limit. I do this because we may create debate on general file. And even though I might win, I might be a loser, and I'd rather be a good loser now than a poor winner then. Thank you very much. I ask unanimous consent to withdraw LB605 and to place LB873 at the top of General File for debate.
